The Band Score

March 2008

Parent and Staff Edition

It is now coming up on two months since our band trip to Florida and I am still excited about the results of that trip. I hope that everyone involved with that trip found it rewarding and fun. I want to thank all of the parents who attended the trip who helped out and all the Band Parent Organization Officers and Chairs that helped make this experience possible.

It is now time to start looking forward and preparing for next season. I am in the process of having the show arranged and written for our band. At this time all I can say is that this show might be a little different for us to pull off. That is why I don't want to announce until I am sure it can be done. I will be sending out letters to all underclass members of the band explaining the show and hoping that all presently involved will return with a renewed confidence that you can succeed when you put your mind to it.

Members should start thinking about next year's leadership positions that will become available for application in the near future.

I invite all of you to attend the spring musical Disney's "*Beauty and the Beast*" in April. You will find many of the members of the band involved with this massive production.

Again thank you for all that you do and let's start setting our sights for the future.

Sincerely,

Tom Crone
Band Director

Hi Everyone,

The Board has three officer positions that are open for next year starting in August. They are Vice President, Secretary, and Financial Secretary. If you are interested in any of these positions, please contact any current officer to learn details of the position.

In addition to the three officer positions several other fundraising chair positions are open from students who are graduating. Please contact Peg Ford if you are interested in chairing a fundraiser or with any new ideas for fundraisers.

We look forward again to having our 2nd Annual Spaghetti Dinner on Saturday, April 19. Tom and Tina Bullen are heading up this event. If you can help in anyway, please contact them at 412-271-0946. We are also looking for band students, not directly involved in the musical, to serve as waiters and waitresses - please encourage them to sign up. A letter of community service hours will be available to those students who help with the dinner. Understandably not all parents can work at this event, but to be successful we hope you will join us for dinner. Remember, all profits from this dinner go into the general fund which benefits your child. We hope to see you there. Thank you,

Tom Skowronski,
President, WHHS BPO
