

The Band Score

November 2006

Staff and Alumni Edition

I just want to take the time to thank everyone involved with this year's marching band show for all the support and effort. The entire staff was very proud of the members of both the Band and Images for their performance at the PIMBA Championships on October 28th. The conditions were very difficult but despite those conditions the band achieved their highest score of the season, but more importantly presented an outstanding crowd-pleasing performance. I especially want to congratulate and thank the Image Squad and Pit for suffering through that performance with their costumes. That was a very brave effort and deserves special recognition. I also want to thank the parents who attended that performance and following us throughout the season. You should be proud of all the hard work that they achieved.

We must begin to look forward to the future. Every year we lose many good members of the band to graduation and this year is no different. Please try to encourage students to continue with the program and if you know people who have children in the junior highs please try to encourage them to get their children involved. We will be looking towards a major trip for next year and those decisions will have to be discussed in the near future. Please continue to support your child by attending the upcoming concerts during the next few months. The music program does not end with football season so please try to attend all functions that your child is involved in.

A special thanks to all the Band Parents who help out week after week with chaperoning, pit crew, fundraising and any other aspect. It is deeply appreciated by all of us on the staff. I hope you have a very good Thanksgiving Holiday and we will keep seeing you throughout the football playoff season as long as it lasts.

Thomas Crone
Director

Hi Everyone,

The BPO would like to congratulate the Band and Images on a great competition season. The kids did a tremendous job and should be very proud of their performances. The BPO would like to thank all those who volunteered their time and energy during the season, helping in the concession stands, chaperoning on the buses and everyone who contributed to the covered dish dinner on Saturday the 28th before we left for the year's final competition. Everyone did a great job!

Barb Adair who designs our band festival program is graduating this year. We are asking for anyone who would be interested and has some graphic arts background to please contact me at 412-760-2842.

The BPO would like to be as efficient and cost containing in its efforts to forward all important and necessary information to parents. For this reason we would like to collect current email addresses from our parents. Addresses will be used solely for distribution of BPO business and not distributed to other unaffiliated organizations. Contacting you by email will allow us to quickly contact everyone, avoid phone calling and answering machines and save postage and printing costs used in mailing the newsletter. By using Acrobat Reader (available from our website) everyone will be able to open, read, print and save their newsletter. This would be a great cost savings to the BPO. I would greatly appreciate receiving an email from you with a current address to contact you. You can email me at president@whhsbpo.org or go to our website www.whhsbpo.org and click on the link for my email address listed with officers.

The band banquet will be held on Sunday, November 19th, at the VFW in East Pittsburgh. The doors open at 5:30 pm and dinner starts at 6:30. The cost for adults is \$15.00 and all band students are free, but must send in their reservation by November 10. All parents are welcome and encouraged to attend. A good time will be enjoyed by all.

The November band parent meeting has moved to *Wednesday*, November 15th at 7 o'clock at West Jr. High.

Thanks,
Tom Skowronski
