

The Band Score

September 2003

Staff and Alumni Edition

From the Director...

Here we go again!

I would like to report that once again we have completed a successful band camp. Due to the hard work of all the students and staff involved, we were successful in completing our goals. The main goal was to place the entire drill on the field by the end of camp. This was completed by Wednesday morning of the second week. This was a tremendous task due to the length of the drill. Everyone should be proud.

This does not mean, however, that we are done with our work. Now we must reach for the next goal which is to make the show the best it can possibly be. This will be a hard and difficult task due to the challenge that I have placed before the students with the selection of this year's music. I hope you will enjoy the show as it progresses along. I also hope you will support your child by attending as many of the performances as possible especially the competitions that are on the schedule. It is also important that you encourage your child to attend every practice. This is where the improvements are made and without everyone present it becomes a very difficult task. Please remember that all practice during the season are at the high school and are held on Tuesday and Wednesday evenings starting at 5:00 P.M. The ending times will vary, but are usually between 7:00 P.M. and 7:30 P.M. rain or shine.

I am encouraged with the enthusiasm of the Band and Images this year, especially with the response I am getting over the scheduled trip to California during Thanksgiving. I will keep you informed of all details as they arise but feel free to call me with any questions. The Band Parent's Organization is working very hard to make this trip as easy on everyone financially as possible. Please help out in

any way that you can. Meetings are held on the second Tuesday of the month at 7:00 P.M. at West Jr. High or call Dave Murison if you can assist in any area.

As I said earlier in this message, please call me at any time either at work or home if you have any concerns or questions. I am looking forward to the season and I am confident that you will find that your child's participation in this activity will be rewarding and one that can be cherished for a lifetime.

DAVE'S SHIRT POCKET NOTES:

Thank you all for coming to the first BPO meeting in such strong numbers. If you have any questions on the material covered, talk to a board member or e-mail me and we will get you an answer.

Please try to arrange your schedules so that you can attend the band competitions we will be going to this year. Not only will you get to see an entire show (at a football game you only see half of the show) but you can show your support for the students. Woody High football has an awesome road attendance, let's see if we can do the same for the band.

Events will be moving very fast now that school has started. If you feel that money could be a problem, talk to Tom Crone now. The Band Parents Organization exists to help and promote the marching band. Every student is important to the whole group and we will work to make sure every student has the opportunity to go on the trip.

Ernie Kurtz needs your help for the WHHS Band Festival. We need as many helpers as we can get. Please consider helping out. The success of this event will go a long way toward helping the Band Parents help you. Please e-mail Ernie that you can help.

Thanks!
Dave
