If you wish to participate, parents in charge will collect your money prior to departure and keep it secure. Each day the bank will be open so you can withdraw what you need. If you wish to participate in the band, you must put the amount you wish to enter in the band in a sealed envelope with your name and the amount written on the envelope. You will give this envelope to the designated chaperone upon arrival at Pittsburgh International.
2. The amount of spending money really depends upon you. Please look carefully at the daily itinerary and determine how many meals you will be need to be responsible for. Once in Phoenix most meals are covered by the package, especially breakfasts and dinners. You will need money for food in airports and souvenirs. Miscellaneous meals and snacks are also on your own. My suggestion is no more than \$200 should be needed but many of you will bring more. Debit cards are a good idea.
3. Phones will be shut off in the room. Pre-paid phone cards are a good suggestion or cell phones with inclusive packages. Collect calls or credit card calls are expensive.
